

# Ordering BIG N – a step-by-step guide.

Ordering and arranging the delivery of BIG N® fertiliser from your preferred Incitec Pivot Limited BIG N Business Partner is a straightforward process. Check out the online BIG N locality map to find your local BIG N Business Partner and see where BIG N is currently available.

## STEP 1

**Contact your BIG N Business Partner to order.**

They will provide a quote and assist with any other specific requirements. You can order by phone or over the counter. (The order of BIG N fertiliser is subject to Incitec Pivot Limited's Terms and Conditions of Sale).

## STEP 2

**After your BIG N Business Partner confirms your order,**

a BIG N Field Service Specialist will visit you on farm to service your BIG N application rig. This is a vital step that helps ensure BIG N is applied safely and accurately. This service is provided to all BIG N customers at no extra cost.

## STEP 3

**A representative from the BIG N delivery team will call**

to confirm your delivery details and book in the job. From this point, they will communicate directly with you by phone to ensure your ongoing delivery requirements are met.

## STEP 4

**The final step is invoicing.**

Your BIG N Business Partner will forward an invoice for payment.

**Congratulations! You are ready to order BIG N. Want to know more about BIG N? Check out more online information including 'Setting up BIG N in 5 easy steps' and 'BIG N special offers'.**
